The covered car park provides easy access to the house and the private terrace where you can enjoy meals outside under the stars. The Villa will seduce you through its strategic divisions, simple and modern decoration and its spacious areas which are always illuminated with natural light.

Relax in one of the three spacious bedrooms, with private bathrooms, and wake up to the sun shining through the large windows and the wind blowing in through the terrace door.

Continue down the corridor to the fully equipped kitchen which facilitates the creation of all your favourite meals.

The living and dining room encourage large gatherings with family or friends, giving access to the furnished terrace for a well-spent afternoon.
