With an astonishing view, relax in the living room while watching a live round of golf.

Take advantage of the direct link to the fully equipped kitchen, by preparing home-cooked meals, that can easily be taken to the entrance patio where you can enjoy your meal in the open air.

On the lower floor, a spacious and intimate suite invites you to relax with your other half. Open the windows in the morning and breathe the fresh, pure air. Go out to the terrace and enjoy the sunshine.

Take a dive into the communal lot pool or relax by the garden with a magnificent view of the hotel. If this is not enough, remember that this is the work of two renowned artists, Madalena Cardoso de Menezes and Francisco Teixeira Bastos.
